Table 7.1 - Standard #7 Student Achievement

Use this table to supply data for Standard 7

You must provide results for each program, concentration, specialization, etc. accredited or to be accredited. There must be a link on your business page website to this table. Place link here such as:

Student Achievement	Replace examples with your program data and information.

Must report on goal of graduates by program and results.	Goal	Results							Graph
		2019	2020	2021	2022	2023	2024	2025	
Estudiantes activos ADM	Recruit new students through different programs and keep active students above the senior year's total (541) through retention activities	822	730	684	588	541	458	348	
Estudiantes activos ATH	Attract new students through different programs and keep students active above the total of the last year (402) through retention activities	540	508	475	431	402	349	268	
Estudiantes activos CON	Attract new students through different programs and keep active students above the total of the last year (258) through retention activities.	460	397	378	307	258	199	141	
Estudiantes activos FIN	Recruit new students through different programs and keep active students above the senior year's total (231) through retention activities.	197	220	245	235	231	252	224	
Estudiantes activos MER	Recruit new students through different programs and keep students active above the senior year total (457) through retention activities	601	544	525	511	457	457	433
