

Intent to Submit a Self-Study for Initial ACBSP Accreditation

There are two times during the year in which a school or program may submit a self-study. A self-study can be submitted on or before December 15 or July 15. This form should be received by September 1 to submit self-study by December 15. This form should be received by March 1 to submit self-study by July 15.

Name of Business School/Department/Unit: Facultad de Ciencias Economicas y Empresariales

Name of Institution: Universidad APEC, UNAPEC

For this form to be considered complete, you must be able to respond yes to the following four criteria.

1. Yes - Our mentor advised ACBSP that we meet sufficient standards and criteria to start writing the self-study **N/A**
2. Yes - The Chief Accreditation Officer advised us that we could proceed to the self-study step of the accreditation process.
3. Yes - We have a minimum of three cycles of results to be able to report trend data in Standard #4 Student Learning Outcome Assessment in the self-study that will be submitted.
4. Yes - We have made improvements to our educational processes based on what we learned from assessment data results in Standard #4.

This is to establish that we meet the required criteria above and we have made sufficient enough progress in completing the self-study to indicate our intent to submit the self-study by:

December 15, (2023)

July 15, (year)
